

GM Message

It is my pleasure to introduce Rasm Albenaa for Trading and Contracting Company (RASMCO) — a forward-looking, Saudi-owned contracting company driven by a commitment to excellence in construction and infrastructure development across the Kingdom of Saudi Arabia.

Since our establishment, our vision has been clear: to deliver high-quality construction services that comply with the **Saudi Building Code** and adhere to **international standards** such as **ISO**.

Through this, we proudly contribute to the national transformation outlined in **Saudi Vision 2030**, supporting sustainable urban development and economic diversification. At **RASMCO**, we believe that projects are more than just structures —they are opportunities to create lasting value and build long-term partnerships based on

trust, quality, transparency, and commitment.

Our team is composed of experienced and highly qualified engineers, project managers, and administrators who handle every project with precision, professionalism, and a deep respect for deadlines and budgets.

We provide services in a wide range of sectors including infrastructure, roads, water and sewage networks, storm drainage systems, reinforced concrete structures, and both public and private sector developments.

Our focus is on innovative execution, attention to detail, and uncompromising safety standards. Developing and empowering national talent is a cornerstone of our values

we firmly believe that building people is just as essential as building infrastructure.

Over the years, through dedication and hard work, we have earned the trust of our clients, which is reflected in the scale of our projects and the continued partnerships we are proud to maintain.

On behalf of myself and the entire **RASMCO** team, I reaffirm our unwavering commitment to exceeding expectations and delivering excellence with every step. With sincere respect and appreciation,

Abdullah Al-Zahrani

General Manager Rasm Albenaa for Trading and Contracting Company (RASMCO)

RASMCO Briefly

Safety Management

Health, Safety and Environment (QHSE)

LONG-STANDING COMMITMENT

RASMCO has a long-standing commitment to the highest standards for health and safety of our employees, clients, contractors, suppliers and the general public as well as for the protection of the environment in the communities in which we live and work.

COMPANY HSE POLICY

Our strong commitment towards HSE is embodied in a clearly stated HSE Policy. Compliance to our HSE Policy is vigorously promoted through training and education and strictly monitored through regularly

EMPLOYEEE HSE AWARENESS

Competence Development programs are in place & being implemented across RASMCO. Our Management conducts regular Site & **Functional Visits** Cross Inspections as tools to ensure that HSE Policy and standards are complied upon and that relevant HSE messages are clearly communicated to all workforces. We have our HSE annual Training Plan, which are being strictly implemented and closely monitored. We have also developed an in house HSE Training Center to enable the regular HSE training and education of us

SAFETY OBSERVATION REPORT SYSTEM

At RASMCO, We systematically monitor HSE practices daily using our Safety Observation Report System. Through our SOR System, good practices and improvement opportunities are documented and resolved on time. It enables closer collaboration between our HSE personnel and Project Management team towards implementing strong HSE practices in our work sites. It reinforces positive safety also behaviors which will lead to have strong Safety Culture within the Company.

9001:2015

Quality Management

RASMCO promotes a strong Quality culture within the organization. We firmly believe that Customer Satisfaction is our key to sustain our growth, and that Quality serves a crucial role in ensuring such satisfaction. To align our Quality practices with world-class standards, we have adopted the use of Quality Management Systems certified under ISO 9001:2015 by SGS. At Sendan, We use our ISO certification not only for documentation but for the transformation of the company

CORPORATE PERFORMANCE MANAGEMENT (CPM)

Our CPM framework is designed with the aim of building a highculture for both performance individual and teams so that they jointly take the responsibility of improving the business processes on a continuous basis. We adopted the Balanced Scorecard / OGSM across all functions in setting Key our Performance Indicators (KPIs) and integrated Quality our Management System

ISO STATES

14001:2015

45001:2018

QUALITY AUDIT CONTINUAL IMPROVEMENT

As an advocate of continual improvement, RASMCO focuses on initiatives that addresses, as a minimum: (1) The improvement of organization's our internal efficiency; (2) The customer requirements; and (3) The level of performance that our market sector needs. We established objectives and targets (driven by the top management) at relevant functions, conduct audits and regularly monitor, measure, analyze and evaluate our performance against the set targets.

EMPLOYEE TRAINING AND INVOLVEMENT RISKS AND OPPORTUNITIES MANAGEMENT

Understanding and finding a way to build the likelihood of success and lessen the probability of failure is one of the keys to ensure our business success. As an ISO 9001 ISO14001 organization, we deal with uncertainties that are present in any of our development intervention by establishing and implementing our approach to manage risks and opportunities. This approach increases our peoples' risk awareness, ensures the appropriate management of risks, and makes the business unit risk profiles transparent, thus enabling risks to be compared and aggregated and allowing one to take an appropriate approach to risk management. In this way, our organization is in a better position take informed decisions once these uncertainties are identified and help us make
